

### Ladies' Bus Trip 2023

We just wanted to let everyone know that this year's bus trip was the best we have had, without any glitches but nonetheless a few broken bones. Marina unknowingly did this trip with a broken hip, if you can only imagine!

Our email went out Friday at 1pm and Saturday 8am we were overbooked almost immediately. However, with some juggling we finally arrived at the right numbers. We are sure If we had a second bus we would have filled that too!

Our sunny day to Prince Edward County was perfect, including a visit on the bus by PEC Mayor Steven Ferguson. We visited a Farmers market, took a walk in town, made a visit to Lake on the Mountain, had lunch and a wine tasting, and visited the big apple.

On returning to the club at 9 pm, we had a donation from Pizza Nova Pizza waiting for us that, without a doubt, the ladies enjoyed.

Our donations this year were over the top, with a spiducci bbq, catering vouchers, wine and so much more - including several gym memberships worth \$6000 from Speciale Fitness. As our bomboniere this year, we had a donation from Lavazza coffee for everyone. Thank you to anyone who donated from the board. We always appreciate it.

The Basilicata Club name is out there and everyone had a great time, which is what matters. And we're pretty sure we did the club proud.

Fingers crossed next year is the same...

Nina Marina & Sonia
